<b>Penalty Points</b> – For redness, smudges, staining, overly dark results, or lack of symmetry	<b>From -1 to -5 points</b>

### **Required Photos – Brow Henna Category**

- 1. BEFORE – Portrait of the model**  
A clear photo of the model's full face before the procedure.
- 2. BEFORE – Left and Right Brow (close-ups)**  
Individual close-up photos of each brow before the application to evaluate the natural shape and hair density.
- 3. DURING – Application Process**  
A photo taken during the henna application showing the product placement and technique (e.g. outline, ombré, gradient, etc.).
- 4. AFTER – Close-up of Brows**  
A detailed photo focusing on both brows after the treatment, showcasing color, shape, and precision.
- 5. AFTER – Left and Right Brow (separately)**  
Close-up images of each brow individually after the procedure for symmetry and detail evaluation.
- 6. AFTER – Full Face Portrait**  
A final image of the model's face after the procedure, with a neutral expression, to assess overall harmony and styling.
- 7. AFTER – Clean Skin Photo**  
A photo before color application but after shaping/cleaning, to verify skin prep and brow mapping accuracy (optional but recommended).
